<i>Introduction: Why Is God So Slow?</i>	13
--	----

## **Part 1: Principles of Waiting on God**

1. Principle 1: <i>Expect some frustrating detours if you're going to follow God.</i>	21
2. Principle 2: <i>Assume that God is at work—even when you don't understand what He's doing.</i>	30
3. Principle 3: <i>Remember your identity in God during the long days of waiting.</i>	39
4. Principle 4: <i>Trust God—even though you're likely to feel His way is not the best way.</i>	46
5. Principle 5: <i>Wait and obey—even as things seem to get worse.</i>	52
6. Principle 6: <i>Have faith that in His good time God will sweep away the obstacles.</i>	59
7. Principle 7: <i>Remind yourself of what the Lord did for you in the past.</i>	66
8. Principle 8: <i>Wait when it's time to wait and act when it's time to act.</i>	71
9. Principle 9: <i>Know your enemies—their names are Restlessness, Complaining, and Disobedience.</i>	81
10. Principle 10: <i>Cling to God's purposes—even if you have a quicker plan of your own.</i>	89

## **Part 2: Perspectives on Time and God's Timing**

11. Aren't We There Yet? Coming to Grips with the Nature of Time	99
12. Embracing the Moment: How Not to Wait Your Life Away	112
13. Stay the Course: Mastering the Discipline of Waiting	122
14. Casting Off the Boundaries of Time: How God's Desires for Our Lives May Reach Farther Than We Ever Dreamed	137

15. God Has All the Time in the World—and More: An Eternal Perspective on Waiting	150
