

# COOKING

"Whether you eat or drink or whatever you do, do it all for the glory of God" (1 Corinthians 10:31).

Honor God in all you do.

## Measure It

Circle the level teaspoon.  
Circle the level cup.

### Add It Up to Make a Cup

How many  $\frac{1}{4}$  cup equal a cup? \_\_\_\_\_

How many  $\frac{1}{2}$  cup equal a cup? \_\_\_\_\_

Practice measuring wet and dry things. Demonstrate that you know how to make a level tablespoon and a level cup.

## Bananas in a Blanket

Not all cooking requires a stove or oven. Make sure it's OK to eat peanut butter.

1. Use craft sticks to spread peanut butter on the bread.
2. Unpeel a banana, and lay it in the center of the bread.
3. Top the banana with a topping or toppings of your choice.
4. Fold the sides of the bread around the banana so it resembles a traditional "pig in a blanket" snack. Enjoy!

## Top It Off!

In the next session, we'll be baking in a kitchen. Let's make chef hats to wear while we work.

1. Wrap a hat band around your head, and mark the length with a paper clip. Staple the band closed.
2. Tape three paper strips to Side A of the hat band, then tape the other end of the strips to Side B.
3. Tape three paper strips to Side C of the hat band. Weave each strip through the A-B strips, and tape the free end of each strip to Side D.
4. Use a marker to write your name across the front of your hat band.

# Baking Cookies

## Chocolate Chip Cookies Recipe (yield: 6 dozen)

- |   |                                   |
|---|-----------------------------------|
| 4½ cups flour                             | 4 eggs                            |
| 2 teaspoons baking soda                   | 2 teaspoons vanilla extract       |
| 1½ cups packed brown sugar                | 4 cups chocolate chips            |
| ½ cup granulated sugar                    | 2 cups chopped walnuts (optional) |
| 2 cups butter (softened)                  |                                   |
| 2 small boxes vanilla instant pudding mix |                                   |

### Follow these steps:

1. Make sure your guide presets the oven to 350 degrees.

2. Set out all the recipe ingredients and these items:

- one large mixing bowl
- spatula
- waxed paper
- one medium mixing bowl
- spoon
- pot holder
- electric mixer
- cookie sheets
- measuring cups and spoons

3. Use the electric mixer to blend the following ingredients in the large mixing bowl:

4. Stir into the large bowl the following items:

5. In small bowl, mix the following items:

6. Stir the contents of the small bowl into the large bowl until the mixture is smooth, then add the chocolate chips and walnuts (if desired).

7. Use a teaspoon to spoon cookie dough onto baking sheets. Leave about an inch between each cookie.

8. Bake for 10 minutes.

9. Allow cooling time, then place the cookies on waxed paper until time to bag them.

10. Help clean up and wash dishes.

## Bag It!

Use the craft supplies your guide has provided to decorate a bag for your cookies. Decide to whom you would like to give your cookies. Write that person's name here:

---

---

---

Make a card for the person who will receive your cookies. Attach the card to your decorated bag before delivering the cookies.

**BONUS:** Make a recipe card holder. Your guide will give you instructions.

Creating treats for friends is fun.  
We can enjoy parties that honor God. Color this page.
