FOLDING INSTRUCTIONS

1. Cut off this section of the paper along the line above, leaving a square, grid-side down.
2. Fold the square in half, forming a triangle.
3. Fold the triangle in half, making a smaller triangle.
4. Open paper, unfolding all folds
5. Fold one corner into a central point then repeat with all corners, making a square.

6. Flip the paper over and fold it in exactly the same manner as step 5, bringing the corners to the center. This will create a smaller square.
7. Fold the square in half. Unfold it and fold it in half the other way.

Hey Kiddos!

Today's discussion is on

FORGIVENESS!

Let's read: Matthew 18:21-35

Let us take time to muse the following
quandaries:

- How many times does Jesus tell Peter to forgive his brother?
- What do you do the 78th time someone asks your forgiveness?
- In the story Jesus tells, what does the servant do wrong? How does the master react to his actions?
- Why does Jesus tell this story? How do you think He felt about the importance of forgiveness?
- How would you describe the servant from the story in one word?
- Have you ever been forgiven of anything? Have you ever decided NOT to forgive someone who hurt you?
- What makes you different from the servant in Jesus' story?

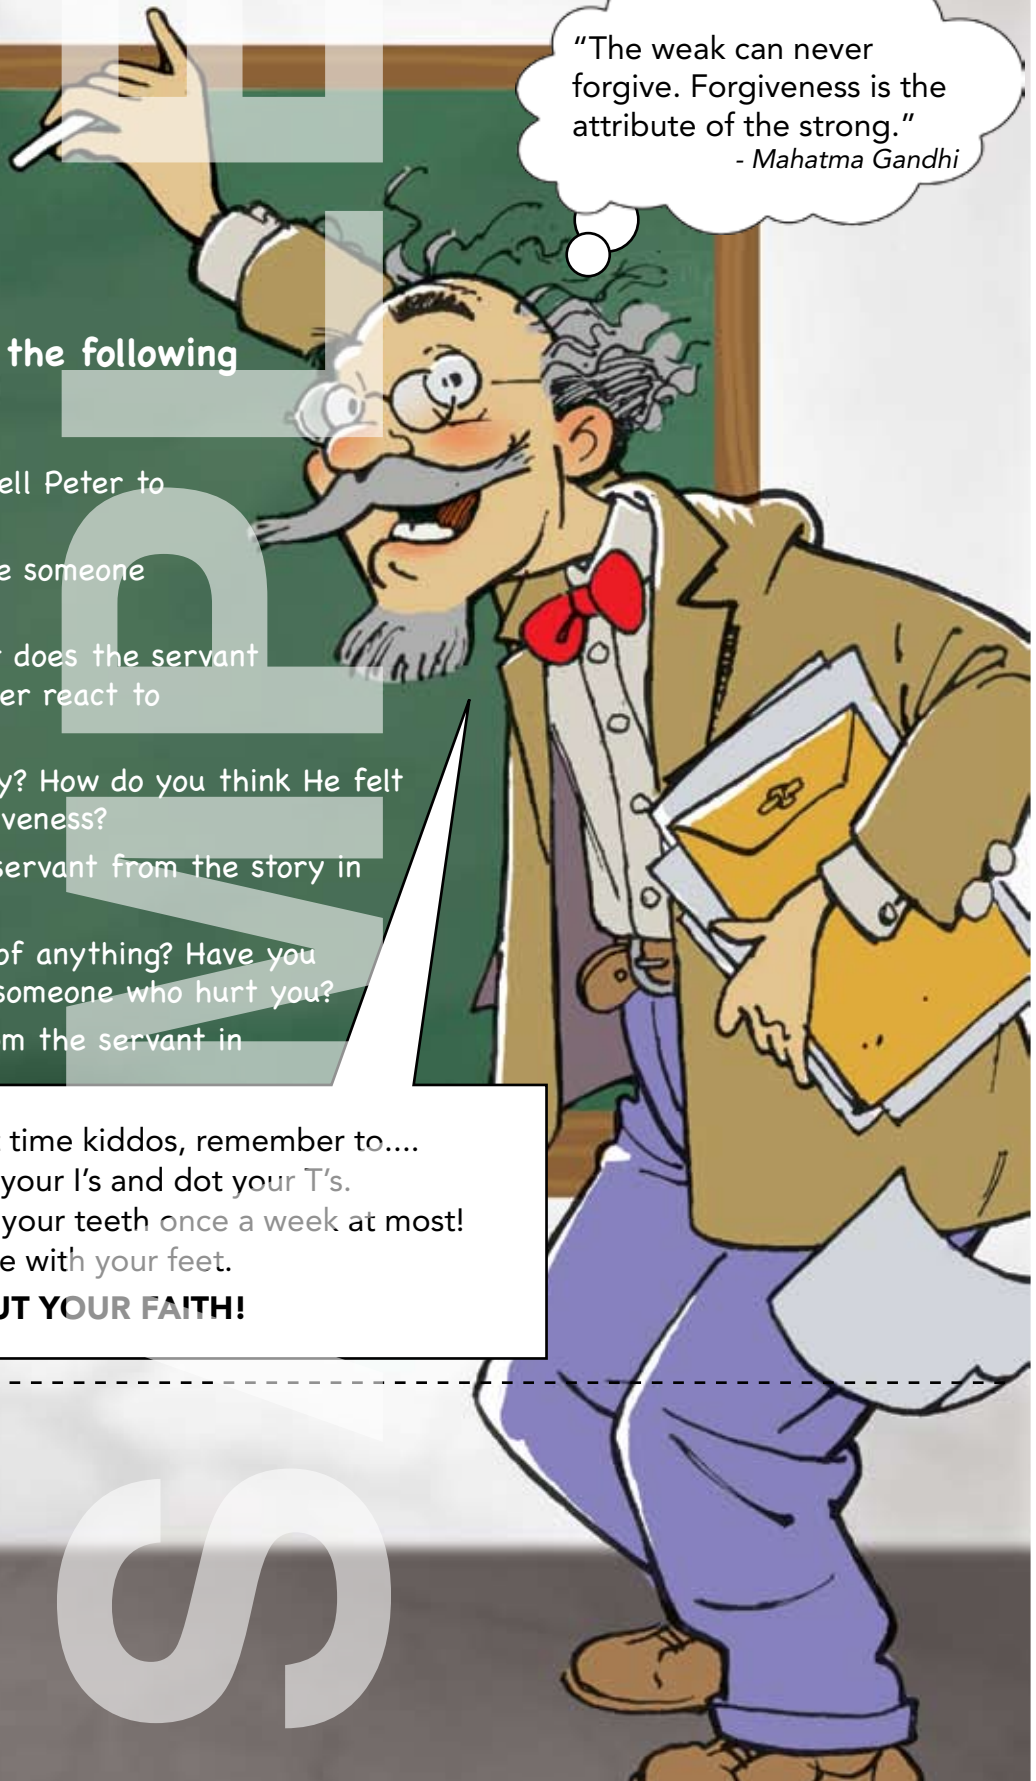

Till next time kiddos, remember to....

- Cross your I's and dot your T's.
- Brush your teeth once a week at most!
- Believe with your feet.

ACT OUT YOUR FAITH!
