ADVENTURE

Exploring the Depth of Jesus' Love

VACATION BIBLE SCHOOL

2010

RESOURCE CATALOG

**WORDaction**

Dear VBS Director,

Statistics and personal reports confirm that more children come to know Christ through VBS and children's camps than any other programs in the church. This summer's program *Deep Sea Adventure* leads kids into "Exploring the Depth of Jesus' Love." *Deep Sea Adventure* is an extreme surfing, deep-diving, ocean-exploring, high seas adventure. The story begins when three young extreme surfers (Buster, Andy, and Juan) discover the underwater city of Shellville fifty miles off shore while extreme surfing. Your own VBS kids (divers) will follow the fun and whimsical adventures of Buster, Andy and Juan, and the delightful talking sea creatures of Shellville. Our three extreme surfers become three extreme scuba divers as they follow their new friends to Shellville and experience deep sea adventures together.

Deep Sea Adventure will help your divers learn for themselves that Jesus makes a life-changing, eternal difference in their lives!

So grab your scuba gear and begin sharing Jesus' love with the divers who come to your VBS for a week of life-changing, Bible-based, underwater fun!
