

WHAT IS LEAD TEAM?

Lead Team is a fully customizable, downloadable, one-of-a-kind leadership ministry for preteens! Use it to launch a leadership program at your church or to revitalize and organize your current program. It works for any size group! The download contains everything you need to start this ministry.

Lead Team has been adapted from successful preteen leadership ministries by children's pastors who work with preteens every week. Download *Lead Team* and get your preteens leading, modeling, and serving!
